Passenger Trains Dis-

continued Last Tuesday

Owing to the shortage of fuel, caused by the coal miners strike, throughout the coal production area of the United States, the railroads have had to curtail passenger trains.

Beginning Tuesday the Waverly Accommodation was discontinued, and the night passenger train on the Centerville Branch was also taken off, and it is reported, unless the coal situation improves, other trains will have to be discontinued.

PROCEEDINGS OF THE DICKSON CIRCUIT COURT

Grand Jury Returns But Comparatively Few Indictments, Which Speaks Well For Our Law Abiding Citizenship.

Circuit Court, which convened in Dickson Monday, Dec. 1st, adjourned last Saturday at noon, winding up a very busy session.

The following were the Grand Jury for the December term: H. N. Williams, foreman; J. A. Johnson, Floyd Brown, J. A. Smith, W. R. Hamilton, Columbus Adcock, S. A. Tidwell, G. C. Spicer, Sam Hager, J. F. Johnson, L. D. Manders, W. M. Rutledge and Sam Hood. After being charged by the Court, they retired to the jury room in command and charge of our efficient Attorney-General, John B. Bowman, and our bustling foreman, H. Newt Williams, who under the present law holds the office as foreman, by appointment of the Court, for a term of two years. Judge Cook dwelt at length in his charge to grand jury, outlining their duties under the law, and especially did he announce and mention to the public, as well, the duty of all citizens to uphold and abide by the laws of our country, our courts and officers. In order to protect our homes, our families and our institutions during this reconstruction period of crime, anarchy and Bolshevism.

The grand jury, after a three-day session, reported but very few indictments, which shows a healthy condition of our country, and the citizens of our county law abiding. The grand jury was discharged by the Court, with approval of their services and congratulations on the condition of our country.

The upper or trial jury were made up of the following lawful men: J. D. Petty, Raymond Street, Sam Petty, E. G. Tidwell, W. T. Petty, G. T. Edwards, Geo. Roberts, Winfrey Harris, J. W. Brazzell, Hollie Harris, Jennie Kimbro and H. H. Rogers.
